

AFM Member Statistics 2016

This brief report shows premium income and assets for all AFM members at the end of their most recent financial year (generally 31 December 2016).

The membership of AFM grew in the last 12 months, from 38 to 48 members.

Premium income across our 48 members exceeded £900M in 2016, and assets at the year end were £7.3 billion.

On a like-for-like basis, premium income amongst those AFM members that were also members in 2015 grew by 8.2%.

Note: source of data includes AFM statistical returns and company accounts.
