THE CHALLENGE

BLINDSPOTS

BLIZZARDS

BURDENS

THE CHALLENGE

BLINDSPOTS

The Right Scope

Briefs that reveal
the questions that matter

BLIZZARDS

The Right Style

Preparing
clear, concise papers

BURDENS

The Right Systems

Systems that scale &
embed best practice

Striking the balance

The 'Six Conversations' model helps to clarify your board's priorities and set the foundations for an effective board pack.

Insightful data & Compelling writing

Provide management information that tells a story of your business performance:

- Less is more
- Outcomes vs drivers
- Effective visualisation

Executive Summary

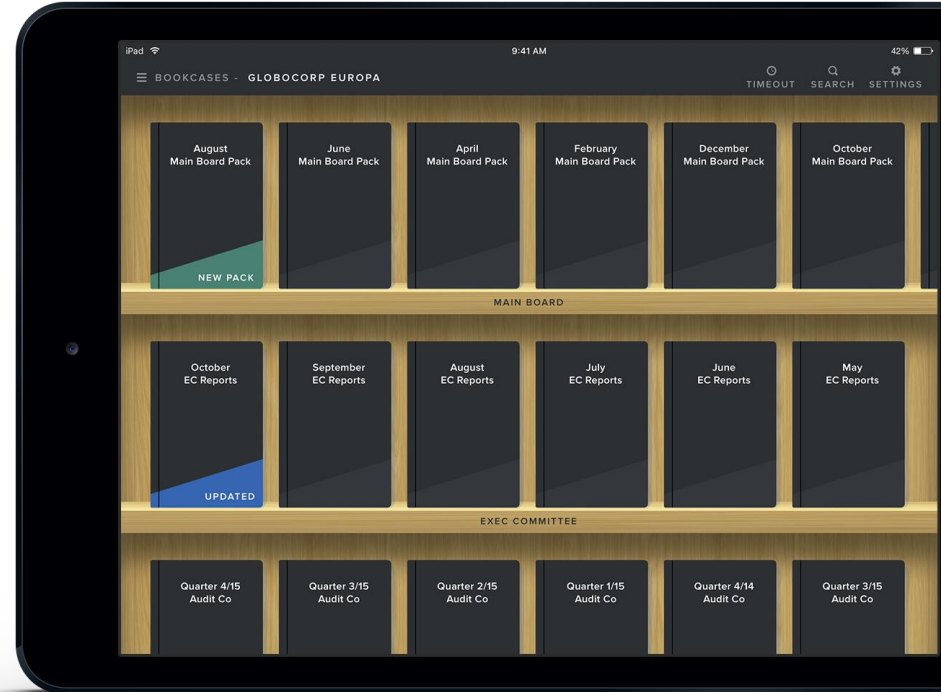

Bad & Good News

Leverage technology

EMBED BEST PRACTICE & ENABLE SECURE COLLABORATION

- Allow directors to securely access and annotate their packs in one place – anytime, anywhere.
- Help paper authors write clear, concise and compelling pieces.

THE SOLUTION - WHAT IS IT WORTH?

BETTER PROCESS

36%

reduction in
overall costs

BETTER BOARD PACKS

87.5%

said reports were now
of a higher quality

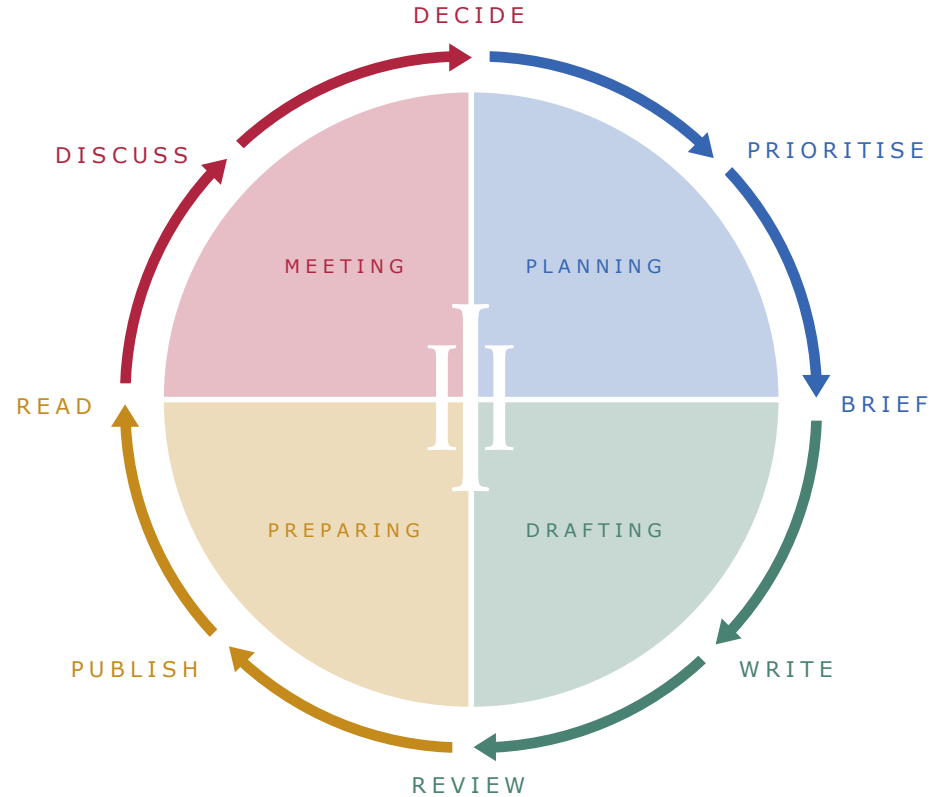

BETTER MEETINGS

100%

saw an increased
effectiveness of board
materials & meetings

3 steps to a more effective board

Ensure your company's whole board reporting cycle is taken care of.

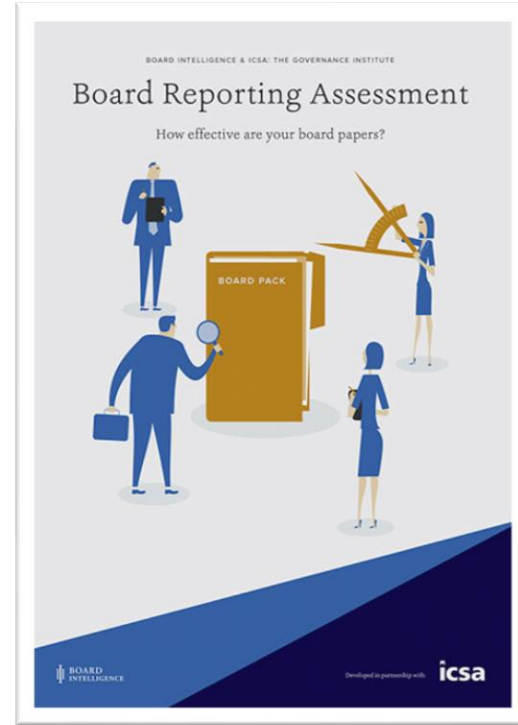

How does your board reporting stack up?

Does the value you get from your board papers equal the cost you put into them? This simple series of questions helps you to assess the quality of your reports.
