AFM Tax Training Day HMRC Compliance Priorities

12 June 2023

Compliance Priorities for 23/24

- **Productivity**
 - Using our time and skills in the most productive way
- **Performance**
 - Keep the tax gap from widening. Focussing on the most important risks and moving more compliance upstream
- **Professionalism**
 - Focus on our customers and delivering the compliance professional standards
- **People**
 - Build capability and ensure HMRC a great place for our people to do great work
